

NSF INCLUDES

Computing Alliance for Hispanic Serving Institutions (CAHSI)

What is the result you hope to achieve from your proposed collective impact initiative?

Increase by 5% each year (to 2022) the number of Latinx students who (1) major in computational-based disciplines across all partner institutions, (2) enter the STEM workforce, and/or (3) advance their education.

Can you list the partners who will need to be engaged to achieve the desired result?

SOUTHWEST REGIONAL PARTNERS:

The University of Texas at El Paso and El Paso Community College, New Mexico State University (NMSU), Dona Ana Community College, and NMSU Alamogordo

SOUTHERN CALIFORNIA REGIONAL PARTNERS:

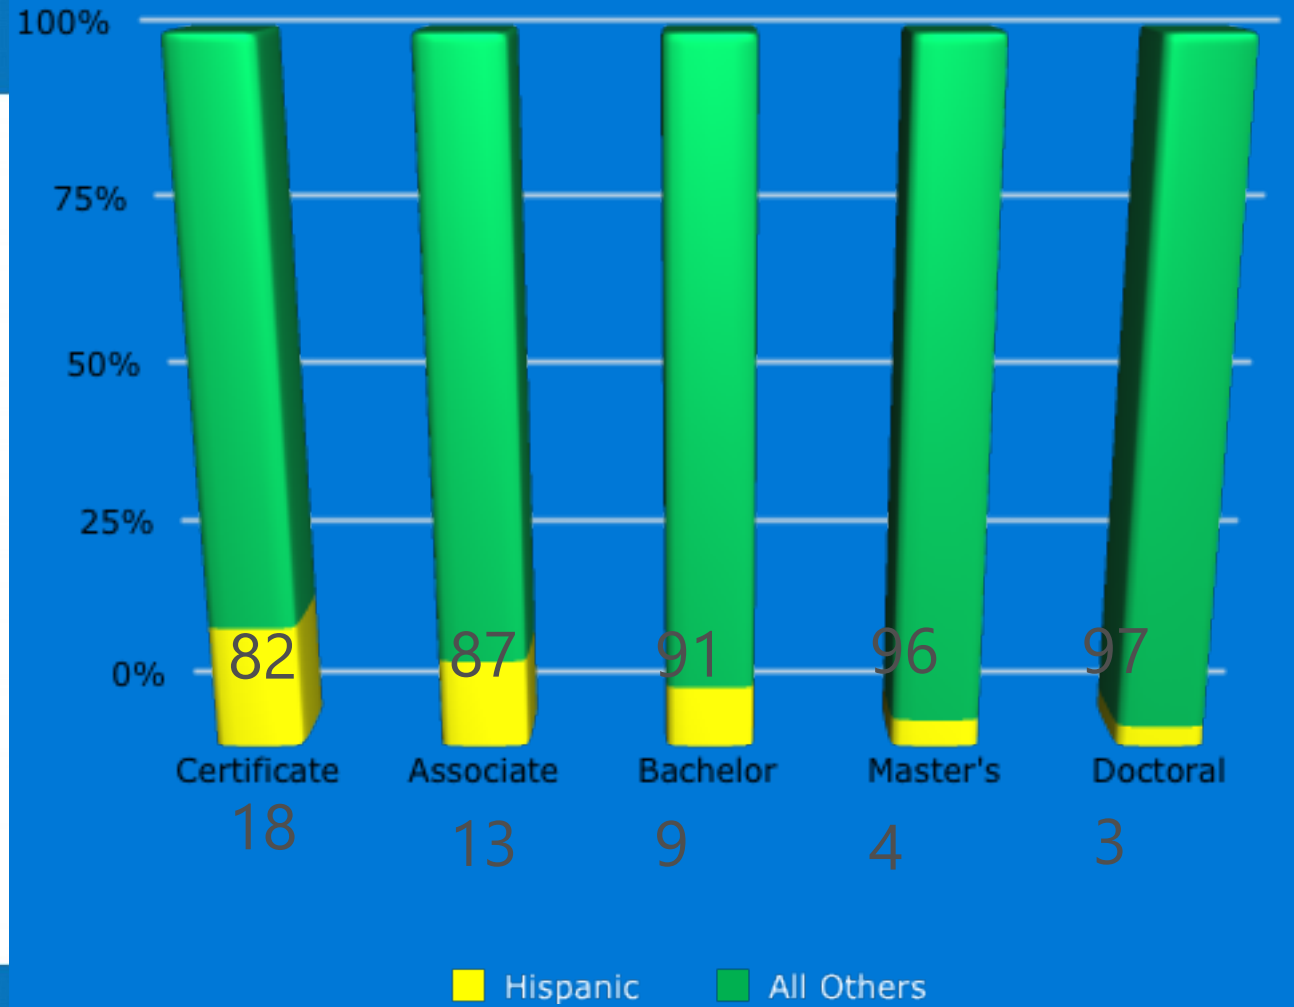

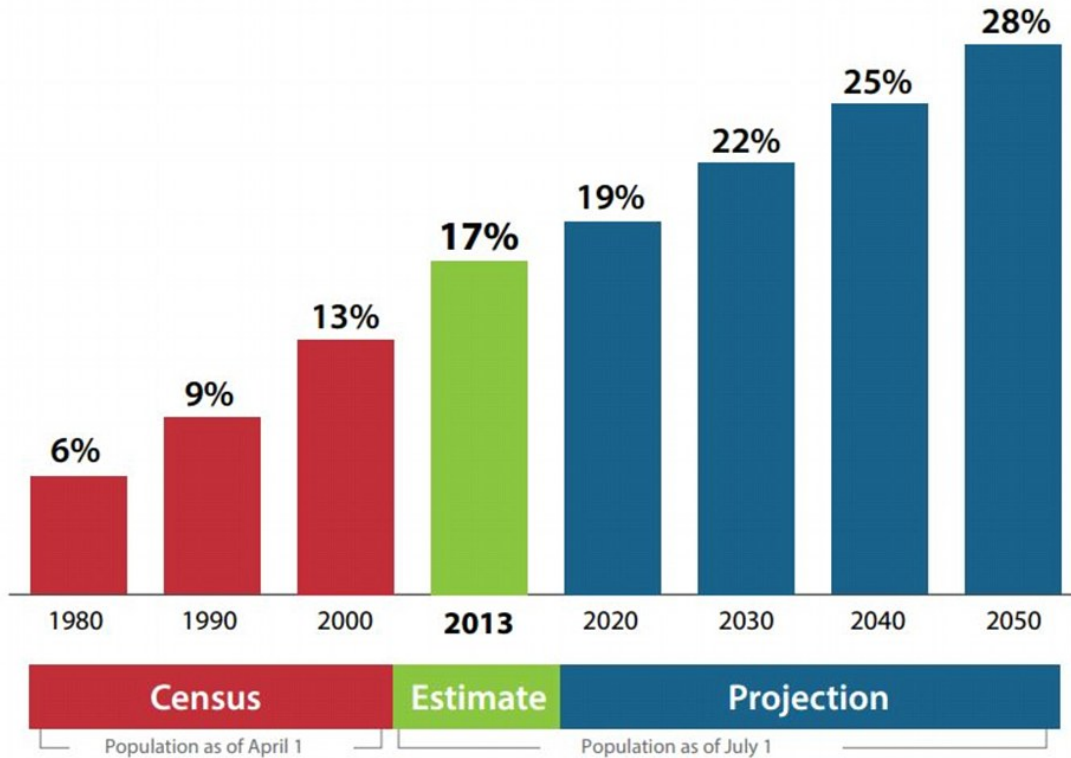

California State University-Dominguez Hills and West Los Angeles College

NORTHERN CALIFORNIA REGIONAL PARTNERS:

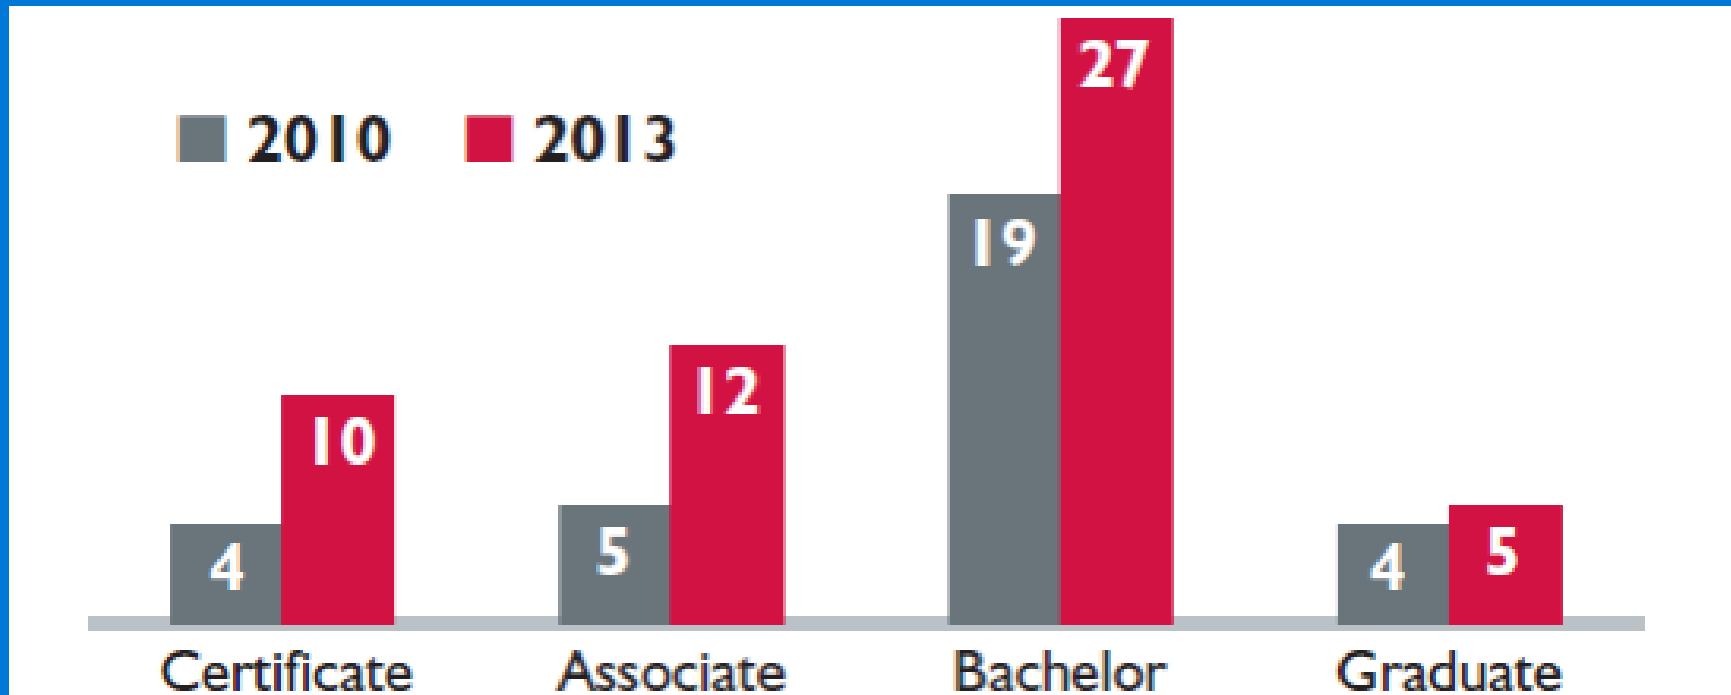

The University of California - Merced, California State University (CSU)-Fresno, CSU Stanislaus, Merced College

Changing Nation

Percent Hispanic of the U.S. Population: 1980-2050

Total Number of STEM Credentials Earned by Hispanics by Academic Level (thousands)
